Part III.	•			
<ul> <li>It is not necessary for applicant to provide a sdirectly resulted in the allowance of the applic of the interview in the Notice of Allowability.</li> <li>It is not necessary for applicant to provide a sdid not result in resolution of all issues. A brief</li> </ul>	ation. The separate re	examiner will provide a we ecord of the substance of	vritten summary of the the interview, since the	e substance
(Examiner/SPE Signature) (	Applicant/	Applicant's Representative	∋ Signature – if appro	priate)

Continuation of Substance of Interview including description of the general nature of what was discussed: to place the application in condition for allowance, it was suggested to: 1) incorporate the limitations of claims 9 and 10 into all independent claims; and 2) delete the limitation "arginine and talc" in all the claims. No agreement was reached. Upon reconsideration, the claims have been rejected under newly cited references (see detailed office action).
